Participant Quotes:

What was most valuable about the training overall?

- ❖ To be the instructional leader and what that means. My thoughts of being a principal were very different on day one; I thought I was mostly a supervisor.
- ❖ Working in groups! Being able to dialogue with others.
- ❖ All of it. All the topics are relevant for what second year principals' face.
- ❖ Hearing from coaches and other principals every month. Hearing real examples from other more experienced than I.
- ❖ Hands on activities where the concepts learned were applied, networking with other principals, Discussions and new ideas
- ❖ Each of the sessions was developed using research-based information coupled w/life experiences both successful and not so successful that I was able to use.
- ❖ The instructors did an effective job of providing learning that is relevant and immediately applicable.
- ❖ The scope of diversity of topics was wonderful.

What did you gain from this investment of your time?

- ❖ I gained so much knowledge and made a lot of new contacts, including a great coach that I know will help as long as I need.
- ❖ I gained lots of insight on different ways to approach and think about issues I encounter on a daily basis.
- ❖ Confidence, Competence, Knowledge, Efficacy
- ❖ Many, many ideas that can be implemented immediately and used long term.
- ❖ These two presenters did an outstanding job every time. They are knowledgeable, approachable; interested in learning and helping us become better educators and leaders. I would go to any training they put on.
